US Army Health Clinic, Bamberg Change of Command

BAMBERG, Germany – U.S. Army Health Clinic, Bamberg will change command July 17 at 10 a.m. on the Summerall Field at Warner Barracks in Bamberg, Germany.

Media are invited to attend the ceremony in which outgoing USAHC Bamberg Commander Lt. Col. Pablito R. Gahol will relinquish command to incoming commander Lt. Col. Larry R. Patterson, who most recently served as the deputy commander of administration for the Kirk Army Health Clinic at Aberdeen Proving Ground, Md.

The USAHC Bamberg is part of the U.S. Army Medical Department Activity, Bavaria. BMEDDAC, which is headquartered at Rose Barracks in Vilseck, provides the command and control for an ambulatory network of seven primary care health clinics throughout Bavaria that support more than 40,000 Soldiers and Family Members in the Bamberg, Grafenwoehr, Hohenfels, Illesheim, Katterbach, Schweinfurt and Vilseck communities.

Media wishing to cover the ceremony should RSVP by July 16 to the BMEDDAC Public Affairs Office at DSN 476-4605, civ. 09662-83-4605, or directly to Cpt. Christopher Richelderfer, USAHC Bamberg XO, at DSN 469-8272, civ. 0951-300-8272.
