

*****Brussels Clinic is not an Urgent or Emergency care facility. All visits are by appointment (no walk-ins). We also do not have sick-call services. Same day appointments are available on a first come first served basis. If you are in need of emergency care, call 112 or go to the nearest emergency room.**

Letter from the Brussels Clinic OIC

The Brussels Clinic is committed to providing the best quality medical care possible. If services are not available at our facility, you may be referred to a Host Nation Preferred Provider, clinic or hospital. This brochure provides information about how to access Host Nation medical care and to make you more comfortable about visiting the healthcare providers we have partnered with in our area. The local Patient Liaison is responsible for coordinating medical care through a local hospital or provider. Please be sure to visit the DEERS office during in-processing to verify your eligibility and enrollment status. We value your commitment to our Nation and promise to provide access to quality health care and continuity of care commensurate with your service. Please let us know how we can serve you better. We will listen. We have the time.

Clinic OIC
Brussels AHC

Who we serve

We are dedicated to serve Soldiers, family members, retirees, DOD civilian personnel and DODEA employees.

Service Provided

- Primary Care
- Pharmacy
- Laboratory (limited)
- Radiology (limited)
- Tricare
- Soldier Readiness

Secure Messaging: Now you can communicate with our office at anytime, from anywhere. All you need is a Web browser and a connection to the internet. You can do a number of things, such as:

- Request prescription renewal
- Receive test and laboratory results
- Request appointments and referrals
- Get guidance from your medical team by email
- Consult with your medical team regarding non-urgent health matters
- Avoid unnecessary office visits and telephone calls
- Access valuable health information online

*****Must register in person at the Clinic**

Patient Center Medical Home (PCMH)

We are proud to serve as your Patient Centered Medical Home team. PCMH offers you and your family continuity in care with one dedicated team managed by your health care provider.

Patient Liaison

The role of the patient Liaison is to assist you with your medical care in the Belgium Medical system. Our patient liaison is available 24 hours, 7 days a week. The Patient Liaison works closely with your provider.

Tricare Enrollment

All newcomers must go to the clinic to register for Tricare Europe and PCM change. Note: must in-process the DEERS office before in-processing the clinic.

You can make your appointment and view lab and X-ray results from the comfort of your home at tricareonline.com

Information on your health care benefits while in Europe is provided at tricare.mil
