SCOPE OF RESPONSIBILITY

USAREC is responsible for recruiting for the Army Medical Department (AMEDD). We recruit highly qualified health care professionals for the Army in all six AMEDD Corps:

COMMISSIONED OFFICERS:

ARMY MEDICAL SPECIALIST CORPS
DENTAL CORPS
MEDICAL CORPS
MEDICAL SERVICE CORPS
NURSE CORPS
VETERINARY CORPS

All the above Corps require specialized training and licensure/certification, and are recruited primarily from accredited university and college programs throughout the United States.

ARMY MEDICAL SPECIALIST CORPS (SP)

Physical Therapists (PT), Occupational Therapists (OT), Registered Dietitians (RD), and Physician Assistants (PA) make up the Army Medical Specialist Corps. Health care recruiters focus their recruiting efforts at accredited colleges and universities where these specialties are trained.

- Direct all interested applicants to the nearest Medical Recruiting Center.
- Must be a US citizen for Regular Army (RA) or a permanent resident for Army Reserve (AR).
- OT and RD applicants must have national registration from the National Board for Certification of Occupational Therapists (NBCOT) and the Commission on Dietetic Registration (CDR), respectively, and a state license.
- PT must have a state license.
- PA must be certified by the National Commission for Certification of Physician Assistants (NCCPA) and are not required to have a state license.
- Students who will graduate within 6 months with their qualifying degree from a US-accredited school may apply for Active Duty (AD). They must provide an official transcript with their degree awarded and appropriate registration/certification and/or license before being allowed to report to AD.
- Reserve applicants must be graduates of US-accredited schools and fully qualified, to include appropriate registration/certification and/or license.
- Must be less than 42 years of age upon initial appointment.
- Reserve Officers Training Corps (ROTC) Cadets who apply for educational delay to attend graduate school for one of the above specialties are eligible for appointment as a commissioned officer. They may be branched RA or AR, contingent on the needs of the Army once all requirements are met to include licensure/registration or certification. ROTC Cadets may also eligible to apply directly to any of the Student Programs. (Only qualified cadets are eligible to apply for Health Professions Scholarship Program).
