Release No. 20130404-1

4 April 2013

ERMC HQ moves from Heidelberg to Sembach

HEIDELBERG, Germany – Europe Regional Medical Command will case its colors at Heidelberg's Nachrichten Kaserne during a ceremony April 23. The colors will be uncased the following day 90 km away at Sembach Kaserne, officially relocating the command's headquarters to the Kaiserslautern Military Community.

The move marks a significant step in transformation for Army Medicine in Europe. More steps will take place this summer as Europe Regional Dental Command and US Army Research Unit – Europe both relocate to Sembach.

ERMC Commander Col. Jeffrey B. Clark and Command Sgt. Maj. Robert Luciano will officiate at both the ERMC casing and uncasing ceremonies. The casing ceremony will take place at the Wilson Theater April 23 at 3 p.m., with the uncasing ceremony scheduled for Sembach's Community Activities Center April 24 at 2 p.m. All are invited to attend.

The U.S. Army Europe Regional Medical Command was activated on Oct. 16, 1994. Because the ERMC commander also serves as command surgeon for USAREUR and 7th Army, the command's headquarters has been in Heidelberg since the summer of 1997.

Much of the command's staff has already relocated to Sembach. All staff is expected to be in place by June.

NOTE: Media interested in covering the casing and/or uncasing ceremonies can contact ERMC Public Affairs at 371-3049/3317 or by email at usarmy.sembach.medcom-ermc.list.pao@mail.mil.
