

Medical Transient Detachment, Landstuhl Regional Medical Center

“Serviens Nostri Vulnerati”

MTD Mission

To provide company level mission command, administrative and logistical support, and quality of life needs to the evacuated wounded, ill and injured service members and all we are privileged to serve.

MTD Vision

To consistently provide exceptionally high quality, efficient, accessible and safe support and transition services to all patients residing in the MTD; thereby ensuring their safe and timely return to duty or transition to CONUS for continued care.

Safety Motto

A Safe Home

Away from Home!
